

FOR IMMEDIATE RELEASE

Bunkers International expands global sales offices

Opens new office in California and hires new manager in Hong Kong

Orlando – January 5th 2012 – Bunkers International Corp (www.bunkersinternational.com), a leading independent marine fuel supplier globally announces continued expansion of its sales operation. The company is opening a new office in San Rafael, California to be run by Raymund Bacani, formerly of Chemoil Corp. The company has also hired Gigi Tsang as manager of its Hong Kong office.

“We are very excited about this expansion of our company into a strategically important bunkering location like California”, said John Canal, President of Bunkers International. “With our excellent partners on the west coast of the USA we can deliver high-quality marine fuel products and superior service and support that meet the needs of our customers calling on western ports. The location will also benefit many of our customers in the Asia Pacific region who have regular routes to the western USA”

Raymund Bacani brings extensive experience in bunkering and has worked in the industry for over 4 years. Mr. Bacani will be responsible for building the west coast sales of the firm, and will work with the company’s partners, brokers, and suppliers to that goal. Mr. Bacani is a graduate of UC Berkeley and holds a degree in Mass Communications. He also brings a background working for several years in sales and logistics, which has proven valuable in his bunkering career.

“We are also very pleased to have Gigi Tsang join us as manager of our Hong Kong office. Her experience working with Seven Seas and Titan Petrochemicals made her the perfect choice to lead our operation in Hong Kong, which is critical to our growth plans for the Asia Pacific region.” said John Canal.

Gigi Tsang has over 4 years experience in the bunkering business having worked at both Seven Seas Oil and Titan Petrochemicals. Ms. Tsang holds several college degrees in business related majors and has a Master's Degree from Hong Kong Polytechnic University.

Bunkers International has been expanding operations globally since 2000, creating new operations in Colombia, the UK, Singapore, Turkey, New York, South Africa, and Hong Kong. The company has significantly increased its trading division, helping drive a seven-fold increase in revenue in the past five years. With strong capitalization, a global customer base of thousands of ship operators, and supply operations on both coasts of Colombia South America, Bunkers International is well positioned to serve the global bunkering marketplace.

About Bunkers International

Founded in 1995, Bunkers International is a leader in the marine fuel industry, providing trading, physical supply, and brokering services to ship operators around the world. Bunkers International, along with its subsidiaries and strategic agencies, employs more than 100 bunkering professionals who provide a range of bunkering services from our offices in the United States, Colombia, the United Kingdom, Hong Kong, Singapore, Turkey, and South Africa. Since inception, the company has serviced several thousand customers, providing tens of thousands of ships with millions of tons of fuel.

Bunkers International is a privately held U.S. corporation headquartered in Orlando, Florida. For more information, visit the Bunkers International corporate website at www.bunkersinternational.com.
